C
C AUTHOR   BRIAN PORTER                CREATION DATE    18-SEP-1979
C
C Modified by:
C V03-001 SAR0063          Sharon A. Reynolds,        20-Jun-1983
C           Changed carriage control in the 'format' statements
C           for use in ERF.
C V02-002 BP0002          Brian Porter,              29-JUN-1981
C           Removed code to display name and unit.
C V02-001 SR0001          Sharon Reynolds,            19-Nov-1980
C           Added code to determine whether BRIEF was called from
C           CRYPTK to fix the problem with the device registers
C           being printed twice on the cryptk report.
